EN MARKET FOR CORN.

ANTS OF TAYLOR HELPING ARMERS MATERIALLY.

said to Be Working a Revoin the Agricultural Interof Williamson County.

Texas, January 11 .- A quiet is at work in the agricultural of this section which is of a great of importance then is generally A number of Taylor's local dealbuying corn this fall, and it was that the entire surplus of the this locality could find a ready a this city. The result was that a big rush for town with nade a big rush for town with and a number of buyers were the streets until it got to be to see corn buyers climbing it is to see cotton buyers sampon. At the present time there are 75,000 and 100,000 bushels of corn with two steam corn shellers at ly preparing it for market, while large quantity has already been

and open market for corn is a y corn has never been raised as op is that no ready sale was as-it, and the planter could never realizing anything at all on a wagon load at a time. Mer-d never afford to furnish supid never anord to ugh the growing season on the of a corn crop, and therefore of a corn crop, and therefore who wanted accommodations who wanted accommendation of to plant cotton as security. Cotton has played the mischief e element of farmers, and ost thrifty of them, too. It is e most thritty of them, too. It is stion of simply making a living mily, but a great many of the calculated to make yearly paythem with 7-cent cotton. The low price has upset their cal-

erity of the farmer and are more ing to lend a help to his benefit, railing price of corn this fall about 27 cents per bushel. Say er can get 25 cents for his corn. implements one man can proved implements one man can 100 acres of corn; forty bush is is a fair, moderate calculation, is a fair. Indeed to the state of \$1000 for his labor. He doesn't have alf of that for picking, as with our a big lump for chopping; say \$4 per aure for rent, which is ow has to pay, and he bas gure on forty acros of cotton, a good crop for one man at 4 cents 600 income can't be figured out. des this the price of corn does not so rapidly and fearfully as does When a farmer comes to town and as price of corn he is not afraid om will fall out of the market be can go back home and haul in. The market is not made up so ly in Liverpool and Wall street motton. And, better still, the outbreadstuffs is most encouraging. while the continental deraised in this section that will stablished throughout the State, and wheat and small grain help-l Europe, Cuba and the Philip-

RTON AFTER GOOD ROADS.

anty is Making Every Effort to Perfect the system. on, Texas, January 11.—The new udge, Hon. G. S. Gordon, is hard with the duties of his office. In m the reporter learns today that today." "passable roads," "first ads." will be the motto of his ration. The people of the usely rest side have set the watch word mple. The county has four road. Now comes Commissioner Carlia Ei Campo district with comes and for the welfare of his secith the proposition, which was that the county purchase a \$1000 road grader" for that section, to for out of that precinct's pro rata pacial road fund. The new mall grads one mile per day of first-dor do the work of four ordinary to the the county wishes the outside law. Bo Wharton wisness the outside know that she is abreast of the lood roads, Judge Gordon thinks, an adverthement for the county bring the best reward.

U.S. CONSUL ECZEMA

I had an attack of Eczema, and ordered a box of oxide of zinc ointment. The first application changed the Eczema to hell-fire, which seemed unquenchable. The druggist had uses a rancid cerate and I was possened. A local physician did not help matters, and everything either failed to help, or made it worse, I was becoming desperate, when I thought of Curioura Remedites, and dispatched my servant for a cake of Curioura Soar and a box of Curioura (cintment). The first application relieved me and in three days I sens well. dajs I sons soell.
